Kaytranada

I don't wanna waste it if you ain't got time
It's feeling real good if you open your eyes
It's a movie every time I walk by, yeah, yeah
I'm feeling my scene, do you wanna come by?
Yeah, yeah

Can we go back?
Can we go back to days when lights used to dance? Yeah
Can we go back?
Can we go back to days when love wasn't scared? Yeah
Ooh, yeah

So hold on
Hold on to you
Hold on
Hold on to you

I like the vibration when the level this high
Been living too scared, you should loosen your vibe
You should take a second, you should give me the night
It's feeling like a dream when we on this vibe, yeah

Can we go back?
Can we go back to days when lights used to dance? Yeah
Can we go back?
Can we go back to days when love wasn't scared? Yeah
Ooh, yeah

So hold on

Hold on
Hold on to you

So hold on
Hold on to you
