

# Leave Me Alone

Kaytranada

Can't deny or lie  
Boy you blew my mind  
But I'm tired of my hearth being broken  
And my love being taken for granted  
I gave you all I had  
So crazy  
How you wasted my time  
How you reached that borderline

Leave me alone, go away leave me alone  
Leave me alone, go away leave me alone  
Leave me alone, go away leave me alone  
Leave me alone, go away leave me alone  
Leave me alone, go away leave me alone

There was a time I used to say "boy I want you"  
Leave me alone, go away leave me alone  
And there was a time I used to say "boy I need you"  
Sorry baby no time for this

Leave me alone, go away leave me alone  
Leave me alone, go away leave me alone  
Leave me alone, go away leave me alone  
Leave me alone, go away leave me alone

There was a time I used to say "boy I want you"  
And there was a time I used to say "boy I need you"  
Sorry baby no time for this  
So crazy  
Are you wasting my line?  
Are you reached the borderline?
