

Look Easy

Kaytranada

Oh, oh

Oh, oh

I'm hotter than New Orleans, yeah, yeah
God damn I feel important, yeah, yeah
Stay up gettin' higher, higher, higher, high, high
The feeling, can't ignore it, yeah, yeah
Yeah

When shit get dicey, I stay icicle
I light your night up like it's golden jewels
You see it, I'm ready to make a move
Just playin', winnin' like I made the rules
Yeah, yeah

I make it look easy
She make it look easy
We make it look easy, yeah
We make it look easy, yeah
I make it look easy
She make it look easy
We make it look easy, yeah

I'm hotter than New Orleans, yeah, yeah
God damn I feel important, yeah, yeah
Stay up gettin' higher, higher, higher, high, high
The feeling, can't ignore it, yeah, yeah
Yeah

I feel 'em starin' from across the room
He's got it all, I just let them assume
You couldn't be me if you wanted to
You're yesterday's edition, I'm the news (Yeah, yeah, yeah)
Yeah, yeah

I make it look easy
She make it look easy
We make it look easy, yeah
We make it look easy, yeah
I make it look easy
She make it look easy
We make it look easy, yeah

I'm hotter than New Orleans, yeah, yeah
God damn I feel important, yeah, yeah
Stay up gettin' higher, higher, higher, high, high
The feeling, can't ignore it, yeah, yeah
Yeah

Yeah, yeah
I stay up gettin' higher, oh, oh
Not that I'm understated, oh, oh
God damn I feel important, oh
And you can't tell me
Can't tell me, yeah
And you can't tell me shit, yeah, yeah
You can't tell me nothin'

You can't tell me nothin'
