Lookin' like a whole snack (Ooh, yeah)

Say you got priorities
And lately you've been wantin' to see way more of me

Take your time, baby, don't rush it
Let's stop talkin' about the money
When we can be kissin' and fuckin'
I ain't worried 'bout your ex
You told me, "Baby, you the best"
Buy you a diamond choker necklace
And matchin' Rolexes

Yeah, yeah, yeah, yeah, yeah
Strawberry how it taste
Yeah, yeah, yeah, yeah, yeah
Hell yeah, it's worth the wait, oh

Nothin' like you (Nothin' like you)

Talking VVS on your chest
Lucky charms on your neck
Put your double D's in my 'Ventador (Dor)
Put you in designer that new Dior (Dior)
Baby we want the same, we should be honest
Long as you're here with me, we know it's timeless
