

# Stepped On

Kaytranada

Aye, I know how it feels  
Aye, I know how it feels  
Being stepped on

Something's wrong with me  
For me to really  
Know how nice I be  
What's killing me softly?  
I could not help it  
Give you a chance to say  
Used to live with this  
Get them, curse it in

And I let you enjoy that  
Quality I had  
I'm getting stepped on a lot  
You know it was that vibe  
And I let you enjoy that  
Quality I had  
I'm getting stepped on a lot  
You know it was that vibe

Mistake my kindness for weakness  
I say, "Yes, man, I'm helpless"  
Can't find my way for defense  
Over to hurt your feelings  
Evolution to hear sense  
It's the time after healing  
Healing

And I let you enjoy that  
Quality I had  
I'm getting stepped on a lot  
You know it was that vibe  
And I let you enjoy that  
Quality I had  
I'm getting stepped on a lot  
You know it was that vibe

And I let you enjoy that  
Quality I had  
I'm getting stepped on a lot  
You know it was that vibe  
And I let you enjoy that  
Quality I had  
I'm getting stepped on a lot  
You know it was that vibe

Hey, hey, hey, hey, hey, hey, hey, hey, hey, hey, hey  
I'm getting stepped on  
Hey, hey, hey, hey, hey, hey, hey, hey, hey, hey  
I'm getting stepped on  
Hey, hey, hey, hey, hey, hey, hey, hey, hey, hey  
I'm getting stepped on  
Hey, hey, hey, hey, hey, hey, hey, hey, hey, hey  
I'm getting stepped on

And I let you enjoy that  
Quality I had  
I'm getting stepped on a lot  
You know it was that vibe  
And I let you enjoy that  
Quality I had  
I'm getting stepped on a lot  
You know it was that vibe

Hey, hey, hey, hey, hey, hey, hey, hey, hey, hey  
I'm getting stepped on  
Hey, hey, hey, hey, hey, hey, hey, hey, hey, hey  
I'm getting stepped on
