The Worst in Me

Kaytranada

You make me a mess, oh Never meant to love you so, no Played with my emotions Falling for you don't make no sense, ooh Never could have cried so easily, you Always get away with everything, I Can't believe that I let, let you in Once again, and again, and again, oh, no, no Every time I, fuck, fight, we scream (All night) I thought it was (This ain't how it's supposed to be) That means I feel (Something) I want your love (You bring out the worst in me) Oh me, oh me, oh me Oh me, oh me (This ain't how it's supposed to be) Oh me, oh me Yeah, I believe Oh me, oh me (You bring out the worst in me) Every time you fall asleep I feel like it's finally peace of mind Dancing in those memories Living a lie Ooh, never would have thought it'd come to this You, always change my mind, plant one little kiss Can't believe that I let, let you in Once again, and again, and again, oh, no, no Every time I, fuck, fight, we scream (All night) I thought it was (This ain't how it's supposed to be) That means I feel (Something) I want your love (You bring out the worst in me) Oh me, oh me, oh me Oh me, oh me (This ain't how it's supposed to be) Oh me, oh me (I believe) Oh me, oh me (You bring out the worst in me)
