

I Can't Stop

Kazaky

I gotta live my life
And gonna get it higher
So when you're looking my heels
You aren't nothing but...(shut the xxx)

I gotta live my life
And gonna get it higher
So when I stand on my heels
Don't even try to stop me

I can't stop
I can't stop
I can't stop

I can't stop
I can't stop
I can't stop

I can't stop
I can't stop
I can't stop

I can't stop
I can't stop
I can't stop

Jealous make you hate
So leave it for yourself
Jealous make you scare
So leave it for yourself

I do it for show
You feel the groove
Don't care about me
Inspirer
I want you to know
To fucking rules
Attempt to be

I do it for show
You feel the groove
Don't care about me
Inspirer
I want you to know
To fucking rules
Attempt to be

My heels

My heels

I can't stop
I can't stop
I can't stop

I can't stop
I can't stop

I can't stop

I can't stop

I can't stop

I can't stop

I can't stop

I can't stop

I can't stop

I can't stop

I can't stop

I can't stop

I can't stop

I can't stop

I can't stop

I can't stop

I can't stop
