

Milk-Choc

Kazaky

[Intro] (2x)

Let me see you dance
Let me see your face

[Verse 1]

Let me see you dance
It's my weakness
Let me see your face
That's my wishes
Let me see you dance
It's my weakness
Let me see your face
That's my wishes

[Pre-Chorus]

Summertime the sun is fine
Let me see you dance
It will be the perfect tan
Milk-chocolate ass
Summertime the sun is fine
Let me see you dance
The whole bitches of a place
Milk-chocolate face

[Chorus] (2x)

And when the sun is down
Let the night breaking to
Leaving me bound to you
Can't get enough of you

That moment is now
Take me inside of you
Flying away with you
Diving deep into you

[Drop/Beat]

Feel the life (4x)

[Bridge]

Let me see you dance
(Summertime the sun is fine)
Let me see your face
(It will be the perfect tan)
Let me see you dance
(Summertime the sun is fine)
Let me see your face

[Outro] (2x)

And when the sun is down
Let the night breaking to
Leaving me bound to you
Can't get enough of you

That moment is now
Take me inside of you
Flying away with you
Diving deep into you
