

Pulse

Kazaky

Limited a wrong
Cause you are not like this
You won't seize
You won't be able to be
The one you appear to be
Just limited, limited

The feelings gonna up
The pulse is biting fast
The feelings gonna up
The pulse is biting fast
I see your smoke eyes

Just limited

Your feelings my pulse
my pulse, my pulse, my pulse (2x)

The feelings gonna up
The pulse is biting fast
The feelings gonna up
The pulse is biting fast
The feelings gonna up

Limited a wrong
Cause you are not like this
You won't seize
You won't be able to be
The one you appear to be
Just limited

Your feelings my pulse
my pulse, my pulse, my pulse (2x)

The feelings gonna up
