KAZKA

I am running circles  
Then I fall  
But there's something in this day so beautiful  
Cause I welcome back my teasing hope

Of our Eden garden  
I recall  
While I'm fighting back the time that's taking toll

Apart  
But not forever I'll go wherever  
Apart  
Until I find you, and stay beside you  
Apart  
We're bound and free and we'll never be  
Apart  
I know you'll be there I'm a believer

There's no perfect timing  
Anymore  
I won't wait another second, I will soar  
Now I feel so pure, I've found a cure

See our silver lining  
Through the storm  
See our future, take a chance, open the door

Apart  
But not forever I'll go wherever  
Apart  
Until I find you, and stay beside you  
Apart  
We're bound and free and we'll never be  
Apart  
I know you'll be there I'm a believer

Під вишнею криниченька, милого чекаю  
Од любові до милого серце завмирає  
Під вишнею криниченька, милого чекаю  
Until I find you, and stay beside you

Ой ходила сива пава по крутесенькій горі  
We're bound and free and we'll never be  
Apart  
Будемо з тобою, серце, і на небі й на землі  
I know you'll be there I'm a believer
