

# Away

KB

Take me, take me away  
Take me away from here, oh  
Take me, take me away  
Take me away  
Away, away, away from here

You know how the fight go, yeah  
Turnin' off the cycle, yeah  
Live to be right though, live out what I quote, tryna be the light though  
While we stumble though the night though  
Falling  
I'm falling  
Struggles all around me  
Darkness came to find me  
Here again, I'm callin'

Yahweh  
I want to follow Your way  
My body na Your holy temple  
I will not wrestle, I don't surrender to Your love, oh

Oh, Yahweh  
I want to follow Your way  
My body na Your holy temple  
I will not wrestle, I don't surrender to Your love, oh yeah

Take me away, take me away from here  
Away, away, away, away, away  
Take me away, take me away from here  
Away, away, away, away, away  
Take me away, take me, take me  
Away, away, away, away, away  
Take me, take me away, away, away, away  
Away, away, away, away, away

Omo I go do whatever  
Omo I go do whatever  
Make I Dey by your side, no, no, no  
Me and you go combine, no, no, no  
Me I go tell everybody, Iwo Lapata  
Baba mojubare oh  
Sha ma'bami soro soro  
Baba Mimo bami soro soro, eh

Yahweh  
I want to follow your way  
My body na your holy temple  
I will not wrestle, I don't surrender to Your love, oh

Oh, Yahweh  
I want to follow your way  
My body na Your holy temple  
I will not wrestle, I don't surrender to Your love, oh

Can't let nobody take my soul and body  
Surrender, no folly  
I'm sorry, sorry

I do the very thing that I don't want  
No, I'm not the slave that I once was  
Flesh showing out, it's a encore  
Every time we sin and we hate what we did but want more  
Who will free us?  
You will free us  
Fighting to the day that we face to face  
Amazing is the grace that will break the shame  
Take everything, leave

Yahweh  
I want to follow your way  
My body na your holy temple  
I will not wrestle, I don't surrender to your love, oh

Oh Yahweh  
I want to follow your way  
My body na Your holy temple  
I will not wrestle, I don't surrender to your love, oh yeah

Oh Yahweh  
Away, away  
Finish what You started  
Away, away, away, away, away  
Been here way too long, oh, you're stronger  
Away, away, away, away, away, away, away, away, away, away  
Away, away, away

Take me away, take me away from here  
Away, away, away, away, away  
Take me away, take me away from here  
Away, away, away, away, away  
Take me away, take me, take me  
Away, away, away, away, away  
Take me, take me away, away, away, away  
Away, away, away, away, away
