

Be Alright

KB

Todo va a estar bien
Everything will be all right
The whole world's in His hands
Your whole world's in His hands

In the darkness and the trials
He's faithful and He is true
The whole world's in His hands
Y todo va a estar bien

There's been so many things that I've just never said
Like all the things I think about when I'm in bed
I never really like to hear that I was wrong
Lost all my motivation never saw the sign

Used to the night
I lost so many things almost lost my sight
It all changed when I found you
It started to turn everything towards you

You always be by my side
Ive got you write by my side
I thought you would never leave me alone
You were right I would

Todo va a estar bien
Everything will be all right
The whole world's in His hands
Your whole world's in His hands

In the darkness and the trials
He's faithful and He is true
The whole world's in His hands
Y todo va a estar bien

Lucy gunning for the souls of the soldiers
On the narrow road lost some bro's on the shoulder
I see it's getting colder but I know what He told us

They gon hold you down but the crown gonna hold up
Yes indeed
Oh my melody is para Ti I will never leave
I don't need to die for me to rest in peace the recipe
Half a cup of living water fresca
Sing Dios es fiel y cumple sus promesas jepa
Let me see
Heaven lookin good on me
Oh yea
Turn my 2020 to Psalm 23

Oh yea
I just wanna see you through the pain now
Reign down
Hide anything but you face now
Face down I pray
Your promise is a pain killa
Who put to shame all the shame that stained in us

I don't want no fame
Or no praise
Less Your name's in it
We gon be ok listen

Todo va a estar bien
Everything will be all right
The whole world's in His hands
Your whole world's in His hands

In the darkness and the trials
He's faithful and He is true
The whole world's in His hands
Y todo va a estar bien

Everything will be all right
Todo va a estar bien
Everything will be all right

He's got the whole world in his hands
He's got the whole world in his hands
He's got the whole wide world in his hands
Todo el mundo en su mano está
Todo el mundo en su mano está
Todo el mundo en su mano está
Y todo va a estar bien
