

# Bring You War

KB

If you want a war  
I'll bring it on  
Watch as the walls of your city fall, it's beautiful

I've been told that you've gotta play the game  
Comb my hair wear khaki pants and I'll be a man  
And I've been told

Count the risk, but we fear God over consequence  
Hear you're talking down looking from the bleachers  
Keep your words sweet you may have to eat them  
You don't know Emmanuel  
You were lying in the den full of Daniels  
Even if we all weigh this advantage  
I've still got the candles cuffed

I don't know (I don't know)  
I don't know if you are wrong or if I'm right but  
If you want a war, I'll give you war  
I'll bring the walls of Jericho down to prove you wrong  
Yeah-ah

They made us feel we ain't as good as them  
I told them they not as good as Him  
From the part of town where you missed the privilege  
One good for every ten bad decisions  
Momma said you will not be a victim  
Try to bury us we have since convinced them [?]  
Go out of control son seize the system  
Now I own the business with  
Nappy hair and I wear sweatpants, and I'm still a man  
They pick us last for the game kid  
That mean we the ones you don't wanna play with  
Made with anguish, game six why we having  
New Orleans flow  
Spice it up and win the occasion  
When they gage us, rage until this place is made  
Grace on grace on grace the weak and dangerous  
Yeah, you might have lapped me  
But you ain't the only one that's laughing  
My super power is I don't quit  
And a God that will go with

I don't know (I don't know)  
I don't know if you are wrong or if I'm right but  
If you want a war, I'll give you war  
I'll bring the walls of Jericho down to prove you wrong  
If you want a war, I'll bring it on  
I'll bring the walls of Jericho down to prove you wrong  
Yeah-ah

I will sing with men and angels  
Whom shall I fear but You alone  
I am helpless without You near me  
Through my weakness, oh my God, You've proven strong  
I will sing with men and angels  
Whom shall fear but You alone

And He said to my enemies

If you want a war, I'll give you war  
I'll bring the walls of Jericho down to prove you wrong  
If you want a war, I'll bring it all  
I'll bring the walls of Jericho down to prove you wrong  
Yeah-ah
