Psalm 73 verse 25 and 26

"Whom have I in heaven but You?

And earth has nothing I desire besides You.

My flesh, my heart may fail, but God is the strength of my heart and my portion."

Even if my heart may fail

Doctors say all ain't swell, pockets ain't swell

I wanna show that You're enough

If You ain't there, You can keep heaven I don't care as long as You're here

Imma show that You're enough

Show that You're enough

Show that You're enough

Show that You're enough

I wanna show that You're enough

Show that You're enough

Show that You're enough

Show that You're enough

I wanna show that You're enough

Does God have a wonderful plan for my life?

Plans to expand and land me at heights

Possibly sovereignly and landin' a wife

And His hand in my life is an answer to my life

I don't know and I really shouldn't care

Cause what is any of that to His love and kindness?

particularly giving me breath and my body,

On top of you saving a sinner outer inner all that you given me

Jesus wasn't fly, Jesus wasn't cool

Isaiah 53:2 says that Jesus wasn't cute

He was poor sorrowful, Isaiah 53:2

He's the master you're the servant

What you think is in store for you?

Is He enough?

I'm all good, I'm so content

And I don't even gotta large house with a fence

Maybach, Benz, with A/C intense

Or courtin' a girl that submits till the end

(Nah) Cause this ain't a trend

And all that stuff could remain absent

So I'm persistent to stay consistent

To show the whole world that God's sufficient

Even if my heart may fail

Doctors say all ain't swell, pockets ain't swell

I wanna show that You're enough

If You ain't there, You can keep heaven I don't care as long as You're here

Imma show that You're enough

Show that You're enough

Show that You're enough

Show that You're enough

I wanna show that You're enough

Show that You're enough

Show that You're enough

Show that You're enough

I wanna show that You're enough

I don't wanna just talk, I got to show  
Cause I gotta couple brothers in the hospital  
And I gotta couple brothers from across the globe  
Poor or sick, with joy you got to know  
Feelin' bad, you tell em I wanna pray for you  
But they feel worse sayin' they wanna pray for you  
Oh you thinkin' we got it worse, it's a mistake for you  
Livin' in America is what's great to you  
No hatin' you, prosperity's replaced the truth  
When God is only enough, if enough when He's gracin' you  
Y'all don't value faith, you only value what your faith can do  
Y'all love to eat but hate on the Person who made the food  
So I'll pray for you but let's make a truce  
When famine hits you won't ignore the light like an ambulance  
Hold on to the Savior even in the midst of your affliction  
Remember our condition your afflictions ya chance to witness

Even if my heart may fail  
Doctors say all ain't swell, pockets ain't swell  
I wanna show that You're enough  
If You ain't there, You can keep heaven I don't care as long as You're here  
Imma show that You're enough  
Show that You're enough  
Show that You're enough  
Show that You're enough  
I wanna show that You're enough  
Show that You're enough  
Show that You're enough  
Show that You're enough  
I wanna show that You're enough
