

Lil Boy

KB

Watch out lil boy, yeah
Man at the door, go somewhere, play with your toys
We saw your Porsche, uh, award you no points, I should clap 'ca
use you flex on the poor?
Watch out lil boy, yeah
Army of course, that's why I brag on my fort and I'm teachin' m
y boys
Grind up and hire yourself, that way you cannot be unemployed
I will not be ignored
Yeah, you can't afford, pay me to lower my voice, persistent an
d poised, yeah
You can be Floyd, I'd rather go be the boys
Watch out lil boy, yeah
Switched to a major, but I've never switched up the course
Ain't leavin' the Lord, huh
I'm like a journalist, I'll never give up my source
Watch out lil, boy

Watch out lil boy, yeah
I'm on them next, say what I say with my chest
Tuck your baguettes, yeah
All of that drip on your neck, we don't tell you that drip turn
to drowning in debt, yeah
Go get a check, make sure get some respect, teach us how you in
vest, stream and collect
Protecting the kings and the queens, I guess I'm out here playi
n' chess, yeah
God got a plan, stand up and act like a man
Don't play with that girl, don't throw your hat in the ring if
you'll never put a ring on her hand
We go and cleave, only death makin' us leave
And when the grass isn't green I get water and seeds
She is the league, she don't compete, I don't care what they go
t up on IG, yeah
I come in peace, but I'm not gon' play with you G, I only liste
n to the Jes'
They told us get our degree, nothin' out here that you wanna be
, this is true to the streets, yeah
I just believe we won't become what we see, tryna show you a Ki
ng
You played it, man, you keep it movin', let them disagree
Like watch out lil boy, yeah
Applying the force, yeah, stayin' the course
Makin' some noise, yeah, I been trainin' all-day
You can say I'm all aboard
Watch out lil boy
Yeah, squad goin' nuts, watch the crowd go Almond Joy
Face to the floor, yeah, last time I check, the mission can nev

er be void
Watch out lil, woo
