

Loyal Til The End

KB

[KB:]

Yeah, I'm dialed in (Yeah, yeah)
I don't know how to be quiet
All of my dawgs defiant
Loyal 'til the end
My God, my God, yeah (Okay, okay)
I'm vibin' (Okay)
Turn it up like I like it (Okay)
All of my dawgs defiant
We still got it, I'm biased (Ayy, ayy, ayy, ayy, ayy)
I'm dialed in
I don't know how to be quiet
All of my dawgs defiant
Loyal 'til the end
My God, my God, yeah (Okay, okay)
I'm stylin'
I only wear the designer
All of my dawgs defiant
We still got it, I'm biased

Uh, K to the second letter

Last time I checked the pedal, it was leveled to the medal
Might be in the Caribbean, top down in a Camaro
Thinkin' I ain't have jack, my eyes still be on the sparrow
Rebel flags on 'em, gas on 'em, blast on 'em
I'm the last on 'em, stand on 'em, ridin' on 'em
With the Lamb on 'em, advanced on 'em
Serve a God that put demands on 'em
Bringing justice to the land on 'em like that
Who you see? Tell me who you finna be
Tell my kids, I was him, I would never take a seat
In the street, defend the weak, you gon' have to go through me
It ain't deep, speak my peace
He know peace? We got peace
Wanna piece?

Yeah, I'm dialed in (Yeah, yeah)
I don't know how to be quiet
All of my dawgs defiant
Loyal 'til the end
My God, my God, yeah (Okay, okay)
I'm vibin' (Okay)
Turn it up like I like it (Okay, okay)
All of my dawgs defiant
We still got it, I'm biased (Ayy, ayy, ayy, ayy, ayy)
I'm dialed in
I don't know how to be quiet
All of my dawgs defiant
Loyal 'til the end
My Son, my God, yeah (Okay, okay)
I'm stylin'
I only wear the designer (Okay)
All of my dawgs defiant
We still got it, I'm biased

[Jon Keith:]

Ayy, yeah, movin, movin' out the west, I keep it to the chest, ayy

Don't do politics, I'm polishing, that's on my breastplate
Walking in the shadows He equipping all the rest, ayy
King is on the bounty, on the way, we got it, checkmate (Yeah)
Ayy, y'all don't know 'bout me
I can't switch no teams
I know what I seen (Okay)
Who said cash is king?
Don't talk me 'bout cream
Don't care how it seems
I don't glow, I beam
You appeal to be on TV screens
I'm blackin' out, but ain't on BET
My confidence is high like CBD
But they seein' me like all the POC's
And my attitude has been on Eazy-E
Can't D-I-E I live inside a dream
My G-O-D is way too B-I-G
And I'm levelin' up, I just might get a ring
Peace
