Tear It Down

KB

Let me get that there
living it holy I gotta get that first
picking up the microphone and giving you that lyrical miracle biblical rheto
ric in that verse
and I ain't letting up
coming strong ain't playing bra
super serious about the glory of the Lord we livin it so we ready to give it
 to ya like (woah)
what you think we in bible college for
studying for hours for
bending up all kinda dough
ain't just tryna be no scholars no
woulda know my God and hit these streets
break it down it's strength and weak
if I get labour in with laymans
what good is theology
so your university
(pro)ffessors making athiests
everybody nodding heads
my dirties burley taking it
'ffessor call me out
talking bout
how you deny the truth (truth?)
shoot now I gotta Ravi Zacharias you
they say it's wrong
proof they say someones wrong
but that statement got contradictions all on it's own
they argue wit me tear 'em down
this ain't judgement
I am not a judge I communicate what the Judge meant

we gon' tear it down
tear it down eh, we gon' break it down
bring 'em out bring'em out yeah
we can do this now

any thought that exalts itself
against the God of knowledge yeah
demolish it, I gotta tear it down
2x

It feel like daily you got haters coming up to you
tryna debunk you and pump you with scientific proof
see I've been backed into corners tryna figure out what to do
I know who I believe in homie
I ain't scared of none of you
see they ain't take religion from out of the public schools
no they just took Christ and replaced Him with Darwin and some other dudes
now we all exist cause life here when they struck a pool
naw B God was the cause
be like the Huckstables
air tight
air tight
we don't fight with flesh and blood but with the Words of Christ
they say our weapons foolish
but it ain't no shame in me tearing down lies with the Truth
even if it brings pain to me

patiently we make with thee
humbles how we keeping it
that hope we got is strong
and they wont dig up nothing to weaken it
to this we give our lives
live and strive
th-th-the glory of God is on the line
