

This Is Life

KB

If the stars were made to worship, so will I
If the mountains bow in reverence, so will I
If the oceans roar Your greatness, so will I
'Cause if everything exists to lift You high, so will I

I'm alive (I'm alive), yeah, I'm alive, yeah
This the sign, yeah (This the sign, yeah), this is mine
No, it cannot die, yeah (Cannot die)
Come inside, yeah (Come inside, yeah)
Live and die to see our God rise, yeah (God rise)
This is life (This is life)

Ooh, I'ma get caught up, mhm
Holding my daughter, mhm
The minute I got her, the miracle's not us
How can I ever put God up? Ooh
KB don't need no clap
Though the fame gon' leave no cap
But Kevin Love had a zero, still got a ring, oh, we got a King, no cap, ooh
I don't, uh, I don't wanna be your idol, ooh
I don't really need your title (Woo)
This little light of mine, oh, ooh, I know you (Yeah, yeah)
All of your life is borrowed, all of your glory's borrowed
Here today, gone tomorrow (Here to shine, shine on me)
If we don't make it to the millions
If we don't make it to the healing
No, we made it 'cause we children
In the end it will be brilliant
I can't get up off the level lookin' at a rebel
Destiny is settled, pedal, bendin' metal, by the blood to the vessel
Geppetto made your boy real, yeah

I'm alive (I'm alive), in the light, yeah (In the light, yeah)
This is mine, yeah (Mine, yeah), this the prize
No, we will not die, yeah (Will not die)
He is mine, yeah (He is mine, yeah)
Glorify (Glorify) and change our lives (Change our lives)
Take a picture, I'm alive (I'm alive), in the light (In the light)
This the sight (This the sight)
No, we won't, no, we will not die (We will not die)
Never lie (Never lie)
We will thrive when our God shines (Our God shines)
This is life (This is life)

If the stars were made to worship, so will I
If the mountains bow in reverence, so will I
If the oceans roar Your greatness, so will I
'Cause if everything exists to lift You high so will I

Yeah, I'm gone on that road, yeah
Glory, God, no changes
Tell 'em all what my name is
For the name that I came with
We don't wanna be famous
That's where you findin' them slaves, yeah
Set 'em free with my melodies, they'll remember me for Your greatness
Some trust in they candidate

Others trust in they management
But imagine if the man that they live for slip and soon, they will come and
cancel him
Laughed at this, no abandonment, yeah
Look at the damages, yeah
All that our hands have did
We took the fall, He landed it

If the stars were made to worship, so will I (So will I)
If the mountains bow in reverence, so will I (So will I)
Take it all
It is yours
The glory is my Lord, my Lord
So will I

Oh-oh-oh-oh-oh-oh-oh-oh-oh (Will not die, we will not die)
Oh-oh-oh-oh-oh-oh-oh-oh-oh
