

Yes Song

KB

I count on one thing
The God that never fails
Will not fail me now
He won't fail me then
And I know that I can't bear this
But the Almighty is all I need

And, yes, I will lift You high in the lowest valley
Yes, I will bless Your name
Oh, yes, I will sing for joy when my heart is heavy
All my days
Yes, I will (Ayy!)

And the band goes, ayy (Yeah)
Down with the saints, oh
And the band plays on even when the place folds, ayy (Yeah)
You know how the playin' goes
Yes, I will
Yeah, yeah, yeah, yeah

I cannot see behind the curtain
He might be workin', ain't nothing sweet I'm deservin', uh
Deep in this furnace
You know when you can't discern if life is a sentence or purpose
And when they hurt you, you are who you turn to
Who you turn to?
Who you turn to?
When it burns through, no, we didn't curse you
Turn my tremble to Your tempo
If the answer is no
I'll be singing in this pit, Lord

Yes, I will lift You high in the lowest valley
Yes, I will bless Your name
Yes, I will sing for joy when my heart is heavy
All my days
Yes, I will
All my days
Oh, yes, I will

And the band goes, woah (Yeah)
Down with the saints, oh
And the band plays on even when the place folds, yeah (Yeah)
You know how the playin' goes
Yes, I will
Yeah, yeah, yeah, yeah
Yeah, down with the saints, oh
Yes-
Oh, down with the saints, oh
We will give You praise
Yeah, and the band plays on
Yes, I will

Let it all go dark 'round me
Hand in my face, I can't see
I have nothing left to bring
God Almighty, please

You have my baby
And you won't miscarry me
When it's so hard to believe
I hear You singing

Yes, I will lift you high in your lowest valley
Yes, I will give you grace
Yes, I will give you joy when your heart is heavy
All your days
Yes, I will

And the band goes
