

Let's Go Party

KC and The Sunshine Band

Let's go, you know
Let's party, let's go get down
Let's go, you know

Let's party, let's go get down
Let's go, you know
Let's party, let's go get down
Let's go, you know
Let's party, let's go get down

Move your feet, dance the beat
Get real cool, girl, just move

Let's go, you know
Let's party, let's go get down
Let's go, you know
Let's party, let's go get down
Let's go, you know
Let's party, let's go get down

You and me doin' our thang
Half happy as we sway, woo!
