

# Love Me

KC and The Sunshine Band

Baby girl, won't you do it to me  
You really got me on fire  
Baby don't you let me down  
Baby feel my desire

Love me  
Come on baby, baby, love me  
Love me  
Come on baby, baby, love me

Oh your feelings are oh so wild  
Baby don't you know?  
You've got so much good, good love  
Baby can't find my soul

Love me  
Come on baby, baby, love me  
Love me  
Come on baby, baby, love me  
Wooh, yeah
