

# My Shadow

Keane

It's time to make a start  
to get to know your heart  
time to show your face, time to take your place

In every speck of dust  
In every universe,  
When you feel most alone, you will not be alone

Just shine a light on me, shine a light  
I'll shine a light on you, shine a light  
and you will see my shadow on every wall  
and you will see my footprint on every floor

It only takes a spark to tear the world apart  
these tiny little things that make it all begin

Just shine a light on me, shine a light  
I'll shine a light on you, shine a light  
and you will see my shadow on every wall  
and you'll see my reflection in your free fall

Ooh, Oh Ooh, Ooh, Oh Ooh!

Just shine a light on me, shine a light  
I'll shine a light on you, shine a light  
'Cause when your back's against the wall  
that's when you show no fear at all  
and when you're running out of time  
that's when your hit tune start to rhyme

We won't be leaving by the same road that we came by  
We won't be leaving by the same road that we came by  
We won't be leaving by the same road that we came by  
We won't be leaving by the same road that we came by

Oh Ooh, Oh Ooh, Oh Ooh, Oh Ooh!
