Sea Fog

The sun gleams in, Hear the magpies sing for sorrow It makes things better Maybe we'll get to spread Our wings tomorrow If luck will let us Can anyone fly into these grey skies? Is there somewhere I'm meant to be

Sea fog comes like a river Rolls a stone it's rolling me

I missed my turn, In the dark I hear your voice It makes things easy I've strayed too far from the road Where she could always make things easy And I won't fight through the rising tide If that's the way it has to be

Sea fog comes like a river Rolls a stone it's rolling me Sea fog comes like a river Rolls a stone it's rolling me

Sea fog rolling Sea fog rolling Sea fog rolling Keane
