

End Of The Road

Keaton Henson

We belong together
And you know that I'm right
Why do you play with my heart?
Why do you play with my mind?

Said we'd be forever
Said it'd never die
How could you love me and leave me
And never say goodbye?

When I can't sleep at night
Without holding you tight
Each time I try
I just break down and cry
Pain in my head
Oh, I'd rather be dead
Spinning around and around

Although we've come to the end of the road
Still I can't let go
It's unnatural, you belong to me, I belong to you

I know you really love me
You just don't realize
You've never been there before
It's only your first time

Maybe I'll forgive you
Maybe you'll try
We should be happy together
Forever, you and I

Will you love me again like you loved me before
This time I want you to love me much more
This time instead just come to my bed
And, baby, just don't let me go

Although we've come to the end of the road
Still I can't let go
It's unnatural, you belong to me, I belong to you
Come to the end of the road
Still I can't let you go
It's unnatural, you belong to me, I belong to you
