

Good Things Get Better

Keaton Simons

Do do do do do do do, .

When you're not home
I'm so alone
Soon you'll be here
And when you open up the door
Come and lend me your ear

'Cause good things get better I know they do
Yeah they do, I know they do
Good things get better for me and you
And that's true, you know it's true

I like your style
But all the while
We still get burned
But if we open up our eyes
We can see how much we love

'Cause good things get better I know they do
Yeah they do, I know they do
Good things get better for me and you
And that's true, you know it's true

'Cause I can't get enough of a good thing
And I can't get enough of you
I can't get enough of this feeling, of this feeling

Good things get better I know they do
Yeah they do, I know they do
Good things get better for me and you
And that's true, you know it's true, so true

Good things get better I know they do
Yeah they do, I know they do, know they do
Good things get better for me and you
And that's true, you know it's true, it's true

Good things get better I know they do
Yeah they do, I know they do, know they do
Good things get better for me and you
Yeah it's true you, you know it's true

Know it's true
'Cause good things get better I know they do
