

'62 Chevy

Keb' Mo'

There was a breakdown, in communication
Trying to make the best of a bad situation that I'm in now
I really want you back
I'll drive around the world, tell me where you're at and I'll be there
Yesterday
Gimme the green light
And I'll be on my way

I got my hands on the wheel, Y'all
Rolling steady
Rubber on the road, in my '62 Chevy
My '62 Chevy gonna take you to town
I got the dog in the back baby
Top down (Whoa, Yeah)

There was a time that you trusted me
And I'm longing for the way that it used to be
I was a fool to disappear
A-LA-KA-ZAM baby, now I'm here
Down, on my knees
Do you think that you could ever forgive me?

I got my hands on the wheel, Y'all
Rolling steady
Rubber on the road, in my '62 Chevy
My '62 Chevy gonna take you to town
I got the dog in the back baby
Top down (Whoa, Yeah)

Baby can I pick you up where we left off
Girl we got a long way to go

And I'll be there
Yesterday
Gimme the green light
And I'll be on my way

I got my hands on the wheel, Y'all
Rolling steady
Rubber on the road, in my '62 Chevy
My '62 Chevy gonna take you to town
I got the dog in the back baby
Top down (Whoa, Yeah)
