

All Dressed Up

Keb' Mo'

You told me you love me
I believed you were for real
I was crazy, I should've listened to my mother
This old heart of mine ain't never gonna heal

I'm a fool and I know it
Cause I'm still in love with you
Now I'm sittin' here
All dressed up in blue

And you told me all about your old boyfriend
How you broke it off cause you wanted to be free
But the fact is, he really didn't want you
And I know you're just settling for me

I'm a fool and I know it
Cause I'm still in love with you
I'm just sittin' here
All dressed up in blue

Before I met you I was a playboy
I had women all over town
But now I know just how it feels
When the one you love puts you down

I'm a fool and I know it
Cause I'm still in love with you
Now I'm sittin' here
All dressed up in blue

I'm just sittin' here
All dressed up in blue
