

# Closer

Keb' Mo'

It's a lovely night  
A beautiful evening  
Time is slippin' away

It's getting late  
You should be leaving  
But I've got something to say

Please, don't go  
Let's get closer  
A little bit closer  
Turn the lights, down low  
I need to let you know  
I'm so in love with you  
Getting closer is all I want to do

We've been friends  
Close companions  
There's nothing to conceal

So I'm letting go  
My little secret  
To tell you how I feel

So please, don't go  
Let's get closer  
A little bit closer  
Turn the lights, down low  
I need to let you know  
I'm so in love with you  
Getting closer is all I want to do

So please, don't go  
Let's get closer  
A little bit closer  
Turn the lights, down low  
I need to let you know  
I'm so in love with you  
Getting closer is all

Oh please, don't go  
Let's get closer  
A little bit closer  
Turn the lights, down low  
I need to let you know  
I'm so in love with you  
I'm so in love with you  
I'm so in love with you  
Getting closer is all...

So please, don't go  
Let's get closer  
A little bit closer  
Turn the lights, down low  
I need to let you know  
'Cause I'm so love with you  
Getting closer is all I want to do
