

Family Affair

Keb' Mo'

It's a family affair, it's a family affair
One child grows up to be
Somebody that just loves to learn
And another child grows up to be
Somebody you'd just love to burn
Mom loves the both of them
You see it's in the blood
Both kids are good to mom
But blood's thicker than mud
It's a family affair, it's a family affair
It's a family affair, it's a family affair
Lord, it's a family affair, it's a family affair
It's a family affair, it's a family affair
Newlywed a year ago
But you're still checking each other out, yes you are
Nobody wants to blow
And nobody wants to be left out, no
You can't leave
'Cause your heart is there
You can't stay
'Cause you've been somewhere else
You can't cry
'Cause you'll look broke down
But you're crying anyway
'Cause you're all broke down
It's a family affair, it's a family affair
Yeah, it's a family affair, it's a family affair
It's a family affair, it's a family affair
It's a family affair, it's a family affair
It's a family affair, it's a family affair
It's a family affair, it's a family affair
It's a family affair, it's a family affair
It's a family affair, it's a family affair
It's a family affair, it's a family affair
