

## Get Together

Keb' Mo'

Love is but a song we sing  
And fear's the way we die  
You can make the mountains ring  
Or make the angels cry  
Tho' the bird is on the wing  
And you may not know why

C'mon people, now  
Smile on your brother  
Ev'ry-body get together  
Try to love one another right now

Some will come and some will go  
And we shall surely pass  
When the one that left us here  
Returns for us at last  
We are but a moments sunlight  
Fading in the grass

C'mon people, now  
Smile on your brother  
Ev'ry-body get together  
Try to love one another right now

If you hear the song I sing  
You will understand  
You hold the key to love and fear  
In your trembling hand  
Just one key unlocks them both  
It's there at your command

C'mon people, now  
Smile on your brother  
Ev'ry-body get together  
Try to love one another right now
