

Love Train

Keb' Mo'

People all over join hands
People all over join hands, join the love train

The next stop that we make will be England
So tell all the folks in Russia and China too
Don't you know that it's time to get on board
And let this train keep on riding, riding on through

People all over the world
Join hands, join the love train
People all over the world
Join hands, join the love train

People, join hands, join the love train
People, all over the world
Get together on the love train

All of your brothers over in Africa
Tell all the folks in Egypt and Israel too
Please don't miss this train at the station
'Cause if you miss it, I'll feel sorry, sorry for you

People all over the world
Join hands, join the love train
People all over the world
Join hands, ride the love train

People all over the world
Join hands, ride the love train
People
Get ready to ride the love train

Yeah, let it ride
Let it ride, let it ride

People all over the world
Join hands, ride the love train
People all over the world
Join hands, come on, join the love train

People, join hands, by the love train
You don't need no ticket
Just get on board, yeah

And this train is a path to glory
Don't carry nothin' but the righteous and the holy

Ride the love train
Come on, take a seat
Ride this train, y'all
Everything's gonna be alright
Everything's gonna be just cool

Get on the love train
Get on the love train
Ride the love train
Join the love train

Ride the love train
