

Make Up Your Mind

Keb' Mo'

Come talk to me, you need a little help
You're goin' crazy, you done lost yourself
Nowhere to go, nowhere to hide
You're movin' too slow, you're tore up inside

Make up your mind 'fore it gets too late
You ain't got much time, don't hesitate
Make up your mind, whatcha gonna do?
You're just wastin' time, I'm talkin' to you

You make no sense, you're goin' insane
Do you follow your heart, or do you follow your brain?
Just a little bit scared you might fail the test
Do you go right, or do you go left?

Make up your mind before it gets too late
You ain't got much time, don't hesitate
Make up your mind, whatcha gonna do?
You're just wastin' time, I'm talkin' to you

I try to work it out, you try to make it right
But we don't seem to be getting anywhere
Someone tell me why me, myself, and I
Can't figure it out
Can't figure it out
Can't figure it out

Make up your mind 'fore it gets too late
You ain't got much time, don't hesitate
Make up your mind, whatcha gonna do?
Don't waste time, I'm talkin' to you

Make up your mind before it gets too late
Make up your mind
You ain't got much time, don't hesitate
Make up your mind, whatcha gonna do?
You're just wastin' time, I'm talkin' to you
