Oklahoma

Keb' Mo'

I can feel the spirit
Liftin' me up
Takin' me higher
I can never get enough
I can never get enough of

Oklahoma
Cowboys and Choctaws
Oklahoma
Chickasaws and outlaws
I can feel the sunshine
Sweeping through the plains
Jesus on the mainline
Devil stay away
Rain or shine
Oklahoma's gonna be okay

Meet me at the rodeo
Saddle me up
Gonna let everybody know
That when the goin' gets rough
We get tough
I'm talkin' 'bout

Oklahoma
Cowboys and Choctaws
Oklahoma
Chickasaws and outlaws
I can feel the sunshine
Sweeping through the plains
Jesus on the mainline
Devil stay away
Rain or shine
Oklahoma's gonna be okay

And over on Greenwood, Archer, and Pine
Lives an elevated state of mind
Keep on reachin' for the sky
'Cause when they go low, we go high
In Oklahoma

When the goin' gets rough
We get tough
I'm talkin' 'bout
Oklahoma
Cowboys and Choctaws
Oklahoma
Chickasaws and outlaws
