

## Rita

Keb' Mo'

I must have been out of my mind  
Tell me where was I ever gonna find  
Another girl with a love so true  
She's the best girl that I ever knew

I was a fool I was out of whack  
But you know what I would do if she would take me back

I'd go running back to Rita  
Just as fast as I could  
Running back to Rita  
'Cause her love was so good  
I know Rita don't love me no more  
But Rita is the girl I shoulda never let go

I told Rita she was not the one  
And that she'd be better off without me in the long run  
She moved on she got over me  
Yeah, but now I'm the one with the misery

I was a fool I was out of whack  
But you know what I would do if she would take me back

And I know true happiness lies within  
But if that girl would let me come on home  
I'd be smiling again
