

# So Long Goodbye

Keb' Mo'

I love you so much  
There is magic in your touch  
And my love for you is true  
I don't want nobody but you  
But the one thing I cannot ignore  
I don't move you anymore  
I used to be your only one  
But lets face it, the damage is done

I guess it is so long goodbye  
The truth is making me cry  
This feels so wrong  
Goodbye, so long  
So long, goodbye  
The truth is making me cry  
This feels so wrong  
Goodbye, so long

I wish I could change  
But, that to me, would be really strange  
'Cause I love me the way that I am  
And I wish that I could stop giving a damn  
And I wish that I could find a way  
A reason to make me stay  
I've been there for you  
I don't know what else to do

I guess it is so long goodbye  
The truth is making me cry  
This feels so wrong  
Goodbye, so long  
So long, goodbye  
The truth is making me cry  
This feels so wrong  
Goodbye, so long

Someday I'll know why  
Things are the way that they are  
I keep living the same sad stories  
It is crazy and bizarre

But I guess it is so long goodbye  
The truth is making me cry  
This feels so wrong  
Goodbye, so long  
So long, goodbye  
The truth is making me cry  
This feels so wrong  
Goodbye, so long  
So long, goodbye  
The truth is making me cry  
This feels so wrong  
Goodbye... so long

(I'm gonna head on down the road  
And I won't look back  
So long, baby)
