

Someday We'll All Be Free

Keb' Mo'

Hang on to the world
As it spins around
Just don't let the spin get you down
Don't let it get you down
Things are movin' fast
Hold on tight, you will last
Keep your self respect
And your manly pride
Get yourself in gear
Keep your stride
Never mind your fears
Brighter days will soon be here
Take it from me
Someday, we'll all be free
C'mon, take it from me
Someday, we'll all be free
Keep on walking tall
Hold your head up high
Take your dreams right on up
To the sky, yeah
Sing your greatest song
And you'll keep goin', goin' on
Got to take it from me
Someday, we'll all be free
Take it from me
Someday, we'll all be free
Just wait and see
We'll all
Someday, someday, someday
Take it from me
Everybody's gonna be free
C'mon, take it from me
Someday, we'll all be free
Just wait and see
Someday, we'll all be free
Take it
