

Your Love

Keb' Mo'

And I followed her to the station
With her suitcase in my hand
Woh I followed her to the station
With her suitcase in my hand

You know it's hard to tell, it's hard to tell
When all your love's in vain, all my love's in vain

When the train rolled in to the station
I looked her stright in the eye, yeah
Oh the train rolled in to the station, yes it did
I looked her straight in the eye

You know I felt so lonesome
I felt so lonesome
All I could do is cry

All my love's in vain

And the train left the station
There was two lights on behind
Yeah yeah train left the station
Oh Lord there was two lights on behind

You know the blue light it was my blue
Red light it was my mind

All my love was in vain
[Incomprehensible], well well well
[Incomprehensible]

You know it's hard to tell, it's hard to tell
When all your love's in vain
All my love's in vain
