

# Evil Wicked Mean & Nasty

Keel

Why do the good die young  
And nice guys always finish last  
Well, I used to live and let live  
But now that's all in the past  
And I'm learning fast

I'm givin' in to my temptation  
I'm out to get myself a bad  
reputation

Evil Wicked Mean & Nasty  
Easy Sleazy c'mon and tease me  
I'm Evil Wicked Mean & Nasty  
C'mon

Always a punk on the streets  
I was never the boy next door  
oh no  
I've been put down, I been  
pushed around  
And I'm not gonna take any more

I've had my fill - ha - of cheer and  
goodwill, oh yeah  
Now I'm going in for the kill

Evil Wicked Mean & Nasty  
Easy Sleazy c'mon and tease me  
I'm Evil Wicked Mean & Nasty

Rude, screwed, I been tattooed  
I went to church in the nude  
Just ask around, they'll say  
that dude is  
Evil Wicked Mean & Nasty

Why can't strong survive  
Why must the meek inherit the Earth  
I don't want no compromise  
I'm gonna take a turn for the worst  
- wo yeah

I'm givin' in to my temptation  
I'm out to get myself a bad  
reputation

Evil Wicked Mean & Nasty  
Evil Wicked Mean & Nasty

Evil Wicked Mean & Nasty  
Tease me please me, c'mon and  
squeeze me

I'm Evil Wicked & Nasty

Rude, screwed, I'm one crude dude  
Got a hunger for love and a

thirst for brew  
When I'm dead and gone they'll say  
that dude was  
Evil Wicked Mean & Nasty
