

Giddy Up Ding Dong

Keely Smith

I said, giddy up, giddy up a Ding Dong
Giddy up, giddy up a Ding Dong
Giddy up, giddy up a Ding Dong
Giddy up, giddy up a Ding Dong
Giddy up, giddy up a Ding Dong
Giddy up, giddy up, giddy up

Well now, I went ridin' the other night
I picked out a horse, oh, my what a sight
The name of my horse was a Ding Dong
While I was ridin' I was singin' a song

I said, giddy up, giddy up a Ding Dong
Giddy up, giddy up a Ding Dong
Giddy up, giddy up a Ding Dong
Giddy up, giddy up, giddy up

We rode and we rode the whole night through
The horse was tired and I was too
I had a date with my girl at eight
Come on Ding Dong, we can't be late

I said, giddy up, giddy up a Ding Dong
Giddy up, giddy up a Ding Dong
Giddy up, giddy up a Ding Dong
Giddy up, giddy up, giddy up

Giddy up, giddy up a Ding Dong
Giddy up, giddy up a Ding Dong
Giddy up, giddy up a Ding Dong
Giddy up, giddy up a Ding Dong
Giddy up, giddy up a Ding Dong
Giddy up, a Ding Dong

Come on horse, let's roll along
