

# I'll Never Be the Same

Keely Smith

I'll never be the same  
Stars have lost their meaning for me  
I'll never be the same  
Nothing's what it once use to be  
And when the songbirds that sing  
Tell me it's spring  
I can't believe that song  
Once love was king  
But kings can be wrong

I'll never be the same  
There is such an ache in my heart  
Never be the same  
Since we're apart  
Though there's a lot that a smile may hide  
I know down deep inside  
I'll never be the same  
Never be the same again

~~~♪♪♪ ~~~

I'll never be the same  
Never be the same again
