

Swing, Swing, Swing (Sing, Sing, Sing)

Keely Smith

Swing, swing, swing, swing
Everybody start to swing
La-dle-la...whoa-ho-ho,
Now you're singin with a swing
Swing, swing, swing, swing
Everybody start to swing
La-dle-la...whoa-ho-ho,
Now you're singin with a swing.

When that music goes around,
Everybody's goes to town.
But here is something you should know
O-ho baby, o-ho-ho.
Swing, swing, swing, swing
Everybody start to swing
La-dle-la...whoa-ho-ho,
Now you're singin with a swing!
.....

Swing, swing, swing, swing
Everybody start to swing
La-dle-la...whoa-ho-ho,
Now you're singin with a swing
Swing, swing, swing, swing
Everybody start to swing
La-dle-la...whoa-ho-ho,
Now you're singin with a swing

When that music goes around,
.....
But here is something you should know
.....
Oh, swing, swing, swing, swing
Everybody start to swing
La-dle-la...whoa-ho-ho,
Now you're singin with a swing!
La-dle-la...whoa-ho-ho,
Now you're singin with a swing!
