

# There Will Never Be Another You

Keely Smith

There will be many other nights like this,  
And I'll be standing here with someone new,  
There will be other songs to sing,  
Another fall, another spring,  
But there will never be another you.

There will be other lips that I may kiss,  
But they won't thrill me like yours used to do,  
Yes, I may dream a million dreams,  
But how can they come true,  
If there will never ever be another you.

There will be other lips that I may kiss,  
But they won't thrill me like yours used to do,  
Yes, I may dream a million dreams,  
But how can they come true,  
If there will never ever be  
Never never ever be  
If there will never ever be another you.
