

Back Together

Kehlani

Ha, ah-ha, ah-ha, no, no, no
Ah-ha, ah
Ha, ah-ha
Ha-ah

Heard that the streets have been talkin'
You've been askin' all about me
Like am I fuckin' with somebody?
They fall back when I say I got it
'Cause it ain't they place (Place)
And you can say it to my face now
Been a little while, we can FaceTime
Pull up to my crib, face to face time

Know it's been a minute (You got mine, you got mine)
You still got my digits, you still could listen (Uh, uh, you know I)
You know I'm still the realest, I ain't been trippin'
I ain't gon' miss it

Need you to know we ain't gettin' back together
But that doesn't mean that we can't come together
I finally want better, somewhere in the middle
'Cause I love who we are when we ain't back together

Every time I post a picture, they havin' fun in the comments
Runnin' it up by my exes
Sayin' you fumble the bag 'cause I got it
All glowed up, I'm flossy
You only fumbled if you lost me
Lost contact, can you bounce back?
Closed up, two-seated, no hatchback

Know it's been a minute (Know it's been a minute, you got mine, you got mine)
)
You still got my digits, you still could listen (Uh, uh, you know I)
You know I'm still the realest, but I ain't been trippin'
I ain't gon' miss it

Need you to know we ain't gettin' back together (I love)
But that doesn't that we can't come together (That doesn't mean, babe)
I finally want better, somewhere in the middle (Yeah-yeah, yeah-yeah)
'Cause I love who we are when we ain't back together

Said I love who we are, when we ain't
Yeah, I love who we are, when we ain't
Said I love who we are, when we ain't
Yeah, I love who we are, when we ain't, ain't, ain't

Damn, I love who we are when we ain't back together
I love who we are when we ain't back together
(Said I love who we are when we ain't back together
Ain't back, no, oh, oh-oh, oh-oh)
Oh, oh-oh, no-no, no, oh-oh, I love
Said I love, oh-oh, oh-oh, oh-oh, oh-oh

Need you to know we ain't gettin' back together
But that doesn't that we can't come together

I finally want better, somewhere in the middle
'Cause I love who we are when we ain't back together

Said I love who we are, when we ain't
Yeah, I love who we are, when we ain't, ain't
Said I love who we are, when we ain't (Uh-uh)
Yeah, I love who we are

Need you to know we ain't gettin' back together
But that doesn't that we can't come together (Oh, ooh-woah, oh-woah)
I finally want better, somewhere in the middle (I love, I love)
'Cause I love who we are when we ain't back together

Said I love who we are, when we ain't (I love)
Yeah, I love who we are, when we ain't, ain't (That doesn't mean, babe)
Said I love
I finally want better, somewhere in the middle (Yeah, I love)
'Cause I love what we are when we ain't back together

(Said I love who we are, when we ain't)
(Yeah, I love who we are, when we ain't, ain't)
(Said I love who we are, when we ain't)
(Yeah, I love)
'Cause I love what we are when we ain't back together
