Do your best, girl, come press on me  
Can I dare to leave your bed a mess and wet?  
'Cause we sure gon' sweat

Oh, you better take my clothes off, yeah

Break your, break your back  
Oh my God

I can't get with nobody else  
'Cause there's no comparin', I decided  
I just can't let you get no other bitch involved

I don't share, I ain't sharin'  
No offense, she ain't better than me  
Keep me wet, mark my checklist  
And turn my hands into your necklace

I'm gonna take your clothes off, yeah, yeah  
Can we, uh? Oh, baby  
Can we, can we?

Come on it, I'm on it  
I want it, girl  
Die for it, die on it  
I said it was yours, ooh  
Won't you lay down on all fours?  
Oh-ooh, shit  
I need it, I'm pleasin'  
I'm freakin' on you  
I'm fiendin', I need it  
'Til the neighbors knock this door down  
Baby, can you handle more rounds?

'Cause we gon' have to try to take our  
Clothes off, oh-ooh, yeah  
Are we gonna take our clothes off?  
Yeah, uh

Can we, uh? Oh, baby  
Can we, can we?
