

# Distraction

Kehlani

Do you, do you, do you, do you wanna be...

Do me a favor, pick me up, take me out later  
Don't worry about no paper  
'Cause I got much stacked up for nights like this  
My life can get crazy, I deal with shit on the daily  
But baby, I'm thinking maybe  
We could agree to work it out like this

I need you (you, oh) to give me your time (give me your time)  
I need you (you, oh) to not wanna be mine

Are you down to be a distraction, baby?  
But don't distract me, let me ask you, baby  
Do you, do you, do you, do you wanna be  
A distraction, baby?  
Do you, do you, do you, do you wanna be  
Yeah, yeah  
Are you down to be a distraction, baby?  
But don't distract me, let me ask you, baby  
Do you, do you, do you, do you wanna be  
A distraction, baby?  
Do you, do you, do you, do you wanna be

I need you to respect it, yeah, yeah, yeah, yeah  
Sometimes this shit get me stressing, yeah, yeah, yeah, yeah  
So I need you with me to keep me right and keep me up all night  
We can get faded  
This life can make you so jaded  
So we can stay shaded just to us and try to get it right, oh

I need you (you, oh) to give me your time (give me your time)  
I need you (you, oh) to not wanna be mine

Are you down to be a distraction, baby?  
But don't distract me, let me ask you, baby  
Do you, do you, do you, do you wanna be  
A distraction, baby?  
Do you, do you, do you, do you wanna be  
Yeah, yeah  
Are you down to be a distraction, baby?  
But don't distract me, let me ask you, baby  
Do you, do you, do you, do you wanna be  
A distraction, baby?  
Do you, do you, do you, do you wanna be

I can't say I give my all  
But tonight, I'd risk it all  
Woah, woah, woah  
Are you down to be...

Are you down to be a distraction, baby?  
But don't distract me, let me ask you, baby  
Do you, do you, do you, do you wanna be  
A distraction, baby?  
Do you, do you, do you, do you wanna be  
Yeah, yeah

Are you down to be a distraction, baby?  
But don't distract me, let me ask you, baby  
Do you, do you, do you, do you wanna be  
A distraction, baby?  
Do you, do you, do you, do you wanna be
