

Hotline Bling

Kehlani

You used to call me on my cell phone
Late night when you need my love
Call me on my cell phone
Late night when you need my love
I know when that hotline bling
That can only mean one thing
I know when that hotline bling
That can only mean one thing

Ever since I left the city you
Got a reputation for yourself now
Everybody knows and I feel left out
Girl you got me down, you got me stressed out
Cause ever since I left the city, you
Started wearing less and goin' out more
Glasses of champagne out on the dance floor
Hangin' with some girls I've never seen before

You used to call me on my cell phone
Late night when you need my love
Call me on my cell phone
Late night when you need my love
I know when that hotline bling
That can only mean one thing
I know when that hotline bling
That can only mean one thing

Ever since I left the city, you, you, you
You and me we just don't get along
You make me feel like I did you wrong
Going places where you don't belong
Ever since I left the city, you
You got exactly what you asked for
Running out of pages in your passport
Hanging with some girls I've never seen before

You used to call me on my cell phone
Late night when you need my love
Call me on my cell phone
Late night when you need my love
I know when that hotline bling
That can only mean one thing
I know when that hotline bling
That can only mean one thing
Call me on my
