Why you asking 'bout X, Y, Z?
Why you worried 'bout who was fuckin' me?
Who's to the right in my SUV?
It's none of your, none of your, none of your biz
Calling my girls to check where I been
If you needed to know I'd drop a pin
Keeping to yourself really ain't a sin
But you can't, you can't let me live

You put on a show
'Cause you don't want the world to know
That you lost a girl who got it on her own
It'd be good for you to let it go, let it go, let it go

Ain't nunya business (Nunya)
Ain't nunya business (Nunya)
To know who I'm with
Or none of my shit
Ain't nunya business (Nunya)
Ain't nunya business (Nunya)
To know who I'm with
Or none of my shit (None of my shit)

Don't worry 'bout who it is now
Don't worry 'bout if he got kids now
If he's richer than you, slicker than you
His net worth bigger than you
And his dick ain't thicker than you
It's on me, not you (Not you)
Worry 'bout who you go home to (Home to)
Worry 'bout if she gon' leave you (Leave you)
When she find out all that you do

'Cause you put on a show
'Cause you don't want the world to know
That you lost a girl who got it on her own
It'd be good for you to let it go, let it go, let it go, woah

Ain't nunya business (Nunya)
Ain't nunya business (Nunya)
To know who I'm with
Or none of my shit
Ain't nunya business (Nunya)
Ain't nunya business (Nunya)
To know who I'm with
Or none of my shit (None of my)

Ay, I admit it, I admit
If I saved her phone number then I did it (Hello?)
It's hard when the coupe all black (Yeah)
Just left Melrose got it waxed, done
Now I'm on the other side of the track
If the grass greener lemme know (Lemme know)
These thoughts in my head - gotta let 'em out
I know it's due to the girls I let stick around
My heart on my sleeve, check the tag
It's priceless and that lil' crisis

Put me on a slight binge, had me switching my plans
Can't worry 'bout the past, seen you out here holdin' hands
I shoulda knew that was coming (Why?)
I know a few that did done it (Huh?)
By my lonely when they see me 'round town
I'm all business, no feelings, not now

'Cause you put on a show (Haha)
'Cause you don't want the world to know
That you lost a girl who got it on her own (Wow)
It'd be good for you to let it go, let it go, let it go, woah

Ain't nunya business (Ain't none of your, yeah)
Ain't nunya business (None of your, yeah)
To know who I'm with (To know who I'm with)
Or none of my shit (Oh, none of my shit, yeah)
Ain't nunya business (Ain't none of your)
Ain't nunya business (No it ain't, no, no)
To know who I'm with (To know who I'm with)
Or none of my shit (None of my shit, yeah)

Word?
You got it all figured out, huh?
Do your thang then
You know where to find me
Get what you want
Yeah
