

## Raw & True

Kehlani

I am not looking for someone to buy my loving  
Don't spend no money on me boy I don't need nothing  
And I hope you know  
And don't take it personal  
When I say  
That you're acting cliché

Anyone can buy me anything  
Any man can buy me  
Any gold, some cars, a ring  
Is it that bad of an idea to love for love instead of money  
Forced to realize that there's nothing wrong with love like honey

Don't be scared  
Don't be shy  
Stop looking down at your wallet  
I'm trying to see your eyes  
Not one gift in this world could make me feel more than I already do  
All I need is for your love to be raw and true

I'm not gonna model us after the couples on the websites  
Acting like they're in love for the fan's likes  
Please  
I just wanna know your soul  
I'm just trying to discover your likes and your dislikes, your middle  
name, do you like starlight?  
Baby, just let me explore you  
And I'm not trying to hurt you  
By not accepting the things you wanna do  
I'm just trying to show you  
That I'm in it with my heart  
We could be dead broke as long as we're together  
I'm not leaving you, no matter the weather  
Cause I might be in love with you

Anyone can buy me anything  
Any man can buy me  
Any gold, some cars, a ring  
Is it that bad of an idea to love for love instead of money  
Forced to realize that there's nothing wrong with love like honey

Don't be scared  
Don't be shy  
Stop looking down at your wallet  
I'm trying to see your eyes  
Not one gift in this world could make me feel more than I already do  
All I need is for your love to be raw and true
