

(un)Folded

Kehlani

Doo-doo, doo-doo-doo, doo-doo, doo (Doo-doo, doo-doo-doo)
Doo-doo, doo-doo-doo, doo-doo, doo (Doo-doo, doo-doo-doo)
Doo-doo, doo-doo-doo, doo-doo, doo (Doo-doo, doo-doo-doo)
Doo-doo, doo-doo-doo, doo-doo, doo (Doo-doo, doo-doo-doo)

It's so silly of me to act like I don't need you bad
When all, all I can think about is us since I seen you last
I know I didn't have to walk away
All I had to do was ask for space
I'm telling you, be on your way
When I told you to fall back

So can you come pick up your clothes?
I have them folded
Meet me at the door while it's still open
I know it's getting cold out, but it's not frozen
So come pick up your clothes
I have them folded, mm

I'll let your body decide if this is good enough for you (For you)
Already folding it for you (For you)
Already folding up for you
I'll let your body decide if this is good enough for you (For you)
Already folding it for you (For you)
Already folding up for you (Oh)

No matter what you do to switch (Ha) the story up (Ha-
ah), I know I made my mark (Ha-oh-oh, oh)
And I would still choose you (Ha) through it all, that's (Ha) the crazy part
(Crazy part, ha-ah-oh)
I don't need no more empty promises, promise me that you got it (You got it)
I don't need roses, just need some flowers from my garden
Can't you go back to how you loved on me when you started?
I'll be here begging for ya, you should be giving me love (I'll be here begg
ing for ya, you should be giving me love)
All damn day (All damn day) 'til the day is done (Done, done)
So if you wanna go that way (That way), I'll be waiting on

For you to come pick up your clothes
I have them folded
Meet me at the door while it's still open
I know it's getting cold out, assuming that it's not frozen
So come pick up your clothes
I have them folded
So come pick up your clothes
I have them folded
Meet me at my door while it's still open (While it's still open)
I know it's getting cold out, but tell me that it's not frozen (Tell me that
it's not, ooh)
Come pick up your clothes
I have them folded, mm-mm

I'll let your body decide if this is good enough for you (For you)
Already folding it for you (For you)
Already folding up for you
I'll let your body decide if this is good enough for you (For you)
Already folding it for you (For you)

Already folding up for you
I'll let your body decide if this is good enough for you (For you)
Already folding it for you (For you)
Already folding up for you
I'll let your body decide if this is good enough for you (For you)
Already folding it for you (For you)
Already folding up for you

Ooh-ooh-ooh
Ooh, ooh, ooh
I'll let your body decide if this is good enough for you
Already folding (Ooh-ooh)
