KEiINO

When you're ready
I want you to see
A storm is coming
Please hold on to me

Tell me Addja
I hear them calling me

I saw you fighting
Alone in the rain
When they start running
Stay close to the flame
Tell me Áddjá
I hear them calling

Please don't tell me our time is running out

I will take the fight
I will stay up all night
I'm not running away
Mun jearán áddjás
Chain me to the wall
They cannot break us all
I'm not running away
Tell me
How do you fight a machine
You follow the sound of your heart and dream
Áddjá
I've got tears in my eyes but I'm singing for you
Mun jearán áddjás

Gea, son árbbi čuvge munnje
Son álo lea mu mielde
Ja fámu gávnán luonddus
Ja, don gulát go coahkka
Miedusta mu go mun čuoggasan lean
Vaikko man oppas dat eallin gal lea

Please don't tell me our time is running out

I will take the fight
I will stay up all night
I'm not running away
Mun jearán áddjás
Chain me to the wall
They cannot break us all
I'm not running away
Tell me
How do you fight a machine
You follow the sound of your heart and dream
Áddjá
I've got tears in my eyes but I'm singing for you
Mun jearán áddjás

Lávlut min historja, dego leat dáppe
Lávlut min historja, dego leat dáppe

I will take the fight
I will stay up all night
I'm not running away
Mun jearán áddjás
Chain me to the wall
They cannot break us all
I'm not running away
Tell me
How do you fight a machine
You follow the sound of your heart and dream
Áddjá
I've got tears in my eyes but I'm singing for you
Mun jearán áddjás
